## Interview a Word

rejected

1

Who are your relatives?

My relatives are refused and snubbed.

2

Would you ever hurt anyone? Who? Why?

Yes, I would hurt someone who is talking to me if I turned around or left.

3

Are you useful? What is your purpose?

Yes, I'm useful. If someone asked you to do drugs, I would reject them and walk away.

4

What don't you like? Why?

I don't like being forgotten.

5

What do you love? Why?

I love it when people reject bad things.

6

What are your dreams?

My dream is for people to reject other people who are asking you to try bad things.
