

Dear CNUSD Families,

The COVID-19 pandemic is a reminder of the importance of protecting children against serious vaccine-preventable diseases, such as whooping cough and measles. The American Academy of Pediatrics (AAP) and the Centers for Disease Control and Prevention (CDC) strongly recommend that parents do not delay seeking healthcare for their child during the pandemic. The AAP and CDC have developed guidelines for in-person visits, such as for vaccines, to assure safety.

The California Department of Public Health (CDPH) is upholding the immunization requirements for school admission in the 2020-2021 school year. If you have a **pre-school, kinder or a 7th grade student** (Tdap booster/2nd varicella *in addition to* all K-6 immunization doses for incoming 7th graders), please contact your child's primary care provider to determine if he/she is up-to-date with immunizations. **Please upload the immunization document(s) in Parent Connect (Q) before the first day of the 2020-2021 school year. Contact the school site to verify that the upload was successful.**

How do you submit the immunization documents to the school site? Go to <https://parentconnect.cnusd.k12.ca.us/>
If you need assistance for *technical* concerns, please email CNUSD IT Department at help@cnusd.k12.ca.us or call CNUSD Parent Center at (951) 273-3132 (Mon-Thu 9AM-4PM) for assistance over the phone.

If your child **does not** have a doctor or insurance, below is a list of community resources.
