## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Corona High School's Fundamental Purpose Statement (Mission Statement):

---

Discover your passion.

Own your success.

Create your future.

Student Learner Outcomes (SLOs)

ALL GRADUATES OF CORONA HIGH SCHOOL WILL DEMONSTRATE:

Academic and Career Skills

- Students read and analyze grade-level-appropriate material in all courses and content.
- Students write with coherence and focus on a variety of tasks and purposes.
- Students can initiate and participate in a range of collaborative discussions and present information effectively and strategically.
- Students employ technology productively and responsibly across the curriculum.

CNUSD LCAP Goals: 1, 2, 3, 4

### Applied Knowledge

- Students demonstrate mastery of the California Learning Standards by regularly engaging in relevant and rigorous performance tasks.
- Students frequently analyze, synthesize, and evaluate multiple forms of information (e.g. multimedia, speeches, and digital/print texts).
- Students are required to think creatively, make decisions, and solve complex problems in preparation for college, career, and life beyond high school.

CNUSD LCAP Goals: 1, 2, 4

### Responsible Behavior and Global Citizenship

- Students demonstrate personal and civic accountability by recognizing collective challenges and working collaboratively to solve them.
- Students learn to maintain positive, healthy interdependent relationships thus allowing them to respond effectively to stress, conflict, and change.
- Students can choose between various post-secondary pathways to set meaningful personal, academic, and career goals based on their strengths and interests.

CNUSD LCAP Goals: 1, 2, 3, 4, 5, 6

At the beginning of the 2016-2017 school year, Corona High School's administration and leadership team revised the SLOs to reflect our fundamental purpose. Achievement of the SLOs is an ongoing process and is being incorporated into the curriculum of each department. In our PLCs, stakeholders examine data to inform the needs of all students, they discuss the incorporation of common teaching and assessment practices, and they collaborate to design rigorous lessons that result in relevant learning.

With a significant change in administration during the 2015-2016 school year, Corona High experienced a shift in vision. Collaboratively with the stakeholders, the administration team created the following vision statement:

Corona High School will provide every student with the opportunity to discover their passion (coursework/pathways), own their success (accountability), and create their future (developing skills/critical thinking).

### Student Enrollment by Grade Level (School Year 2019-2020)

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions		0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Corona High School's original facilities were built in 1961; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

2017-18 Improvements in Process:

- Updating, rearranging, and adding additional tables in cafeteria
- Updating counseling office
- Update locker rooms (begin April 2018)
- Remodel metal shop (June 2018)
- Install new dust vent system in wood shop and new vent system in engineering lab

Every morning before school begins, the custodians inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Six day custodians and eight evening custodians are assigned to Corona High School. The day custodians are responsible for:

- Classroom cleaning
- General grounds maintenance
- Groundskeeping
- Office area cleaning
- Restroom cleaning
- Pool maintenance

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Large facility cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Facilities Inspection

The district's maintenance department inspects Corona High School on an annual basis in accordance with Education Code §17592.72(c)(1). Corona High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs.

The most recent school inspection took place on Sunday, August 06, 2017. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, campus security officers, custodians, and teachers patrol the campus, entrance areas, and designated common areas. Administrators, campus security officers, and custodians monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, campus security officers, and custodians monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Corona High School is a closed campus. During school hours, all visitors must have their government issued ID scanned into the Raptor Visitor Management System which then prints out a customized identification badge to wear while on school grounds.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	34	N/A	47	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2019-2020)

---

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the Career Center Advisor and Counselor to discuss their four-year academic plan and are introduced to technical and career education programs; the Career Center Advisor and Counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. The following programs are offered that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

### CTE/Regional Occupational Programs

- Workability
- Career Pathways
- California Colleges
- Individual student assessment of work readiness skills takes place through:
  - Completion of course-required projects
  - On-the-job observation
  - Classroom observation
  - Self-Assessment Program

Regional Occupational Programs (ROP) are offered in partnership with the County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education. Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan. California Colleges is an online, interactive career resource that provides students with interest inventories, matches students with careers they might find interesting, and provides college and career planning tools that integrate the 15 California Career Technical Education industry sectors. Centennial High School students create individual Learning Plans and complete online portfolios demonstrating college and career readiness. During the 2019-20 school year, the following CTE elective course:

### CTE Pathways:

- Visual/Commercial Art Multimedia Production
- Residential and Commercial Construction
- Business Management
- Patient care
- Food Services and Hospitality
- Networking
- Games and Simulation
- Systems Programming
- Graphic Production Technologies

Our high schools receive funds from the Carl D. Perkins Vocational and Technical Education Act (Perkins). This grant enables our sites to provide its students with the academic and technical skills needed to succeed in a knowledge- and skills-based economy and helps provide programs that prepare students for both postsecondary education and the careers of their choice. CTE table in this report shows the total number of students participating in the district's CTE courses and regional occupational programs and program completion rates. For more information on career technical programs, ROP, workability, partnership academies, and work experience, contact the Career Center Advisor and Counselor or visit the state's career technical website at <http://www.cde.ca.gov/ci/ct/>.

### Career Technical Education (CTE) Participation (School Year 2019-2020)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	1659
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	43.2
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	6.8

### Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2019-20 Pupils Enrolled in Courses Required for UC/CSU Admission	97.59
2018-19 Graduates Who Completed All Courses Required for UC/CSU Admission	49.63

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

---

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, email, the school marquee, the school website, social media outlets (such as Twitter and Facebook), and our new Corona High School app (available in both Apple and Android formats). Contact the principal at (951) 736-3392 for more information on how to become involved in your child's learning environment.

#### Opportunities to Volunteer

- Library Assistant
- Classroom Assistant
- Chaperone Activities
- Book Room Volunteer
- Booster Clubs Registration

#### Committees

- School Site Council
- English Learner Advisory Council
- Parent-Teacher-Student Association
- Booster Clubs
- Senior Dinner Dance Committee
- WASC Focus Groups

#### School Activities

- Back to School Night
- Open House
- Student Orientation
- Student Performances
- Athletics Events
- Academic Decathlon
- Student Award Ceremonies
- NCAA Night
- SAT Scoreback Night
- Relay for Life Activities
- Parent Awareness Nights (STEM, AVID, EL, etc.)

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Graduation Rate	95.3	97.1	95.9	93.2	93.8	93.4	82.7	83	84.5

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	4.3	5.2	2.9	3.2	3.5	3.5
Expulsions	0.7	0.6	0.2	0.2	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.9	2.4	2.5
Expulsions	0.2	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Corona High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in September 2020.

## Types of Services Funded (Fiscal Year 2019-2020)

For the 2019-20 school year, Corona-Norco Unified School District spent an average of \$6537.31 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other ARRA Programs

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	515	321	321

All training and curriculum development activities at Corona High School revolve around the California State Standards. Over the span of the 2016-17 school year through 2018-19, Corona High School held staff development training devoted to:

- Common Core State Standards Implementation
- Data Driven Decision Making
- Development of Teacher Web Page
- Educational Technology
- Mathematics Best Practices
- Next Generation Science Standards Implementation
- PBIS Training
- Professional Learning
- Sheltered Instruction Observation Protocol (SIOP)
- Student Engagement
- Student Personalization
- Instructional Rounds
- CTE curriculum development
- STEM education

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Corona High School supports ongoing professional growth throughout the year on during late start days and Professional Collaboration Time (PCT). Teachers meet in both grade level and department level to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Since the 2016-17 school year, Corona High School's teachers had the opportunity to attend the following events hosted by the Corona-Norco Unified School District:

- 21st Century Learning Design: SAMR
- Active Shooter
- Benchmark Planning
- AP Euro Pilot Teacher Training
- AP Physics Collaboration
- AP Science Collaboration
- Application of Instructional Shifts in Lesson Design
- Assessment Building
- Autism CPI Training
- Advancement Via Individual Determination Training
- Blended Learning
- BreathTaking Mindfulness
- Canvas Training
- California Alternative Assessment Training
- Evidence Based Practices
- World Language Training
- Positive Behavior Intervention and Support (PBIS)
- Close Reading
- Classroom Management Skills
- Digital Citizenship
- Dual Language Immersion
- Educational Technology Training
- ELD Textbook Adoption
- Engaging in Challenging Conversations
- AP Spanish Language Curriculum
- ERWC Writing
- Integrated Math 1, 2 & Math 3
- ERWC Diagnostic Assessment Scoring and Calibration
- Introduction to Restorative Practices
- Math Training
- Next Generation Science Standards (NGSS)
- Number Talks
- SBAC Boot Camp
- SchoolMessenger
- Shelter Instruction Observation Protocol (SIOP)
- Step Up to Writing
- Social Studies
- Writing for the 21st Century Student

Corona High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives. Since the inception of the Corona STEM Academy, there has been a focus on pathway development for not only our STEM teachers, but also for those in CTE and the visual/performing arts.

During the 2019 - 2020 and the 2020-2021 school year, there has been a shift in the way Professional Learning has been offered and the focus. This change was in response to the needs of the stakeholders across the district.

1. Total number of districtwide sessions – CNUSD switched from days to sessions. CNUSD had 321 professional learning titles with 839 sessions lasting from 1 hour to 6 hours depending on the training and the setting. This year in April, in response to the pandemic, the trainings all moved to online model. CNUSD logged 19,312 staff members attending sessions throughout the 19-20 school year. This includes both certificated and classified
