School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

School Vision and Mission

Students will leave El Cerrito Middle School on track to graduate from high school prepared for college, career, and global citizenship. We are committed to ensuring that all students have a similar rigorous learning experience in each course regardless of the teacher they have for each course.

The foundation of El Cerrito Middle School is a positive approach to learning by weaving “Rigor, Relevance, Relationships, Respect, and Results” into the learning experience.

We continuously strive to

- provide an academic program that meets or exceeds the Rigor of the California State Standards
- engage students in lessons and learning activities that have Relevance to students’ lives
- build meaningful and supportive Relationships with students, parents, each other, and the larger community
- show Respect for the school, our students, our parents, and ourselves
- support our students as they learn Responsibility and model Responsibility ourselves
- maintain a focus on Results

School-Wide Achievement Goals

El Cerrito Middle School is committed to educational excellence for all. Excellence can be achieved by setting goals, accomplishing school work, and celebrating achievements. In support of this, the School-Wide Achievement Goals are set for all students to reach this academic school year. Although the achievement of these goals is ultimately the responsibility of each student, ongoing support from parents and the school is critical.

- GOAL: Meet or exceed achievement standards on all CAASPP tests
- GOAL: Perform in the Healthy Fitness Zone (HFZ) in each area of the California Physical Fitness Test.
- GOAL: Achieve 3.0 grade point average (GPA) or higher with no D’s or F’s.
- GOAL: Maintain 97% attendance, which includes not being tardy to class.
- GOAL: Earn Citizenship grades that are Satisfactory or Outstanding.

El Cerrito Middle School (ECMS) opened in 2003, building on the foundation of a heritage that started in 1957 as El Cerrito Elementary School. ECMS has an expanded campus including the renovated classrooms of the original campus and the addition of newer facilities. The expanded campus includes a community library, gymnasium, science building, an administration building, a kitchen with a food court, and fitness, computer and art labs.

ECMS has a diverse population of just over 1100 students in grades six, seven, and eight. The composition of the student body consists of 40% Hispanic, 38% White, 8% African-American, 8% Asian, 4% Filipino, 0.5% American-Indian/Alaskan Native, 1% Pacific Islander, and 1% who declined to state. In addition 5% of students are classified as English learners and 13% are Redesignated Fluent English Proficient (RFEP). Our vision for our diverse student population is that they leave El Cerrito Middle School on track to graduate from high school prepared for college, career, and global citizenship. To support our vision, the following School-Wide Achievement Goals (SWAG) were established for all students to attain:

- Meet or exceed the standard on all CAASPP tests.
- Perform in the Healthy Fitness Zone (HFZ) in each area of the California Physical Fitness Test.
- Achieve 3.0 grade point average (GPA) or higher with no D's or F's.
- Maintain 97% attendance, which includes not being tardy to class.
- Earn Citizenship grades that are Satisfactory or Outstanding.

Although the achievement of these goals is ultimately the responsibility of each student, ongoing support from the school is critical. ECMS takes a whole-child approach by supporting both the academic and social-emotional needs of students. Our academic program consists of core courses—language arts, mathematics, science, and social studies—that are enhanced by Success for School, intervention, English Language Development, elective, and physical education classes. Elective classes include AVID, band, orchestra, drama, life management, Spanish, art, career technology, and ECTek. Most elective classes are provided on a rotation so that students may explore different content. We also offer Accelerated/Pre-AP classes in grades six, seven, and eight to meet the needs of students who desire a challenge beyond the rigor of the California Common Core State Standards.

Academic reinforcement is provided through tutoring with peers, high school interns, and teachers. In addition, during 5th period, teachers monitor academic progress and send home progress reports approximately every three weeks. We extend our learning opportunities with extracurricular activities such as Cage Club, Humane Club, Future Business Leaders of America (FBLA), and National Junior Honor Society (NJHS). In addition, students are able to enroll in leadership classes which include Associated Student Body (ASB), Peer Assistance and Leadership (PAL) and Where Everybody Belongs (WEB). Interdisciplinary teams, mentoring, and counselors provide additional academic and social-emotional support. We make every effort to make all aspects of our educational program accessible to all students based on their needs and interests.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 3, 2019

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 3, 2019, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. El Cerrito Middle School's original facilities were built in 2001; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of security cameras
- Upgrades to WiFi throughout campus (2017-18)

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and three evening custodians are assigned to El Cerrito Middle School. The day custodians are responsible for:

- Classroom cleaning
- General grounds maintenance
- Restroom cleaning
- Facilities maintenance

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects El Cerrito Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). El Cerrito Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 04, 2017. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	49	48	46	47	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, flyers, the school marquee, the school website, Twitter, and Facebook. Contact the school office or PTA President at (951) 736-2116 for more information on how to become involved in your child's learning environment.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for El Cerrito Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2017.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

For the 2015-16 school year, Corona-Norco Unified School District spent an average of \$9,901 of total general funds to educate each student (based on 2015-16 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option

Staff Development

All training and curriculum development activities at El Cerrito Middle School revolve around the California State Standards. During the 2016-17 school year, El Cerrito Middle School held the following staff development:

- AVID Strategies
- Common Core State Standards Implementation
- i-Ready (math and language arts teachers)
- Alignment of Educational Program (students should have a similar learning experience in each subject regardless of the teachers they have)

During the 2017-18 school year, El Cerrito Middle School held the following staff development:

- Adult Mindset
- AVID Strategies
- i-Ready (math and language arts teachers)
- FOCUS, by Mike Schmoker (book study)
- Alignment of Educational Program (students should have a similar learning experience in each subject regardless of the teachers they have)
- Essential Learning Standards chosen from the California State Standards
- CER (claim, evidence, reasoning) approach to argumentative writing (the site leadership team worked with InnovateEd)

During the 2018-19 school year, El Cerrito Middle School held the following staff development:

- Adult Mindset
- AVID Strategies
- i-Ready (core content area teachers)
- FOCUS, by Mike Schmoker (review)
- Alignment of Educational Program (students should have a similar learning experience in each subject regardless of the teachers they have)
- Essential Learning Standards chosen from the California State Standards
- CER (claim, evidence, reasoning) approach to argumentative writing
- School-wide writing assessment calibration
- Department writing assessment calibration (each core content area)
- Kim Bearden, co-founder of the Ron Clark Academy

Our mission is for students to leave El Cerrito Middle School on track to graduate from high school prepared for college, career, and global citizenship. We are committed to ensuring that all students have a similar learning experience in each course regardless of the teacher they have for that course. Professional development designed to achieve this mission is provided on in-service days, during staff meetings, and during admin PCT. In addition, at least two release days per department are scheduled each year. Support for teachers during implementation happens during the above mentioned meetings and release days, as well as through student data performance analysis, teacher-principal meetings, and individual and group coaching.

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. El Cerrito Middle School supports ongoing professional growth throughout the year on Wednesdays, during Professional Collaboration Time (PCT). Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2016-17 school year, El Cerrito Middle School's teachers had the opportunity to attend the following events hosted by the Corona-Norco Unified School District:

- 21st Century Learning Design: SAMR
- Active Shooter
- Benchmark Planning
