School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Jefferson Elementary students will be recognized as exemplary and high achieving. Students, staff, and families work together in a positive environment focused on student learning.

At Jefferson Elementary we foster meaningful relationships as the foundation to meet all students' needs. Our commitment is to integrate best practices, academic language, and technology to engage our students in learning and mastering all academic standards.

- Jefferson School currently has 722 students enrolled on a single track, traditional schedule. The staff consists of 1 Principal, 1 Assistant Principal, 26 teachers, 1 teacher on special assignment, 2 special education resource teacher, 3 special day class teachers, a part-time band teacher, a full-time speech and language pathologist, a half-time psychologist, a part-time health clerk, and a part-time nurse. Our staff also includes a school secretary, 2 full-time clerks, 2 part-time clerks, a library clerk, 2 instructional aides (2 are bilingual aides), 8 special education aides, 3 custodians, 1 community liaison, 7 lunch supervisors, one food service manager with 2 assistants, 4 temp specialists assisting with grade level interventions and Expanded Learning, and 7 Expanded Learning Instructional aides.
- The school facilities include sufficient classrooms to accommodate up to 33 students in grades K-3 as well as accommodate 34 students in grade 4-6. The campus accommodates one classroom dedicated to parent classes and Expanded Learning, a library, three computer labs, a staff lounge, a conference room, and a school cafeteria/multi-purpose room. The school also houses a Head Start program, a kinder readiness class, and a Transitional Kindergarten class.
- Jefferson's population is unique, consisting of 95.40% Hispanic, 2.40% Caucasian, and 1.10% African American, Filipino 0.38%, Asian-Vietnamese 0.10%, American Indian 0.50%, and Middle-Eastern 0.12%. Ninety-three and 2 tenths percent (93.2%) of Jefferson students participate in the free or reduced lunch program and 49.4% are English Language Learners.
- Our school day has been uniquely designed to meet the needs of our student population, which consists of 305 instructional minutes for grades first through third every day except for Wednesdays, which have been scheduled as minimum days for the purpose of collaboration among the grade level teams. Upper grades (fourth through sixth) instructional day includes 325 instructional minutes every day except for Wednesdays, with 218 instructional minutes. Kindergarten's instructional minutes add up to 220 every day and Transitional Kindergarten with 210 minutes every day.
- Jefferson Elementary School is situated on 15 acres in the central part of Corona. Jefferson's architecture represents the Spanish style. Its main building was built in 1927. It has been recognized by the Corona Historic Preservation Society as a historical site and was placed on the National Historic Site Registry in September 2017.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September 4, 2018

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 4, 2018, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Jefferson Elementary School's original facilities were built in 1927; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Ceiling tiles that were damaged have been replaced
- irrigation system repaired
- Exterior modular building siding repaired where needed

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Jefferson Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	39.0	46.0	59.0	61.0	48.0	50.0
Mathematics (grades 3-8 and 11)	32.0	28.0	45.0	46.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, email, newsletters, the school marquee, the school website, monthly school calendars, text messages, and regular school meetings. Contact the school office at (951) 736-3226 for more information on how to become involved in your child's learning environment.

School Safety Plan (School Year 2018-19)

The Comprehensive School Site Safety Plan was developed for Jefferson Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2018.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

For the 2015-16 school year, Corona-Norco Unified School District spent an average of \$9,901 of total general funds to educate each student (based on 2015-16 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other ARRA Programs
- Other Federal Funds
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Teacher Recruitment/Incentives

Professional Development (Most Recent Three Years)

All training and curriculum development activities at Jefferson Elementary School revolve around the California State Standards and student assessment data. During the 2017-18 school year, Jefferson Elementary School held staff development training devoted to:

- Assessments and Interventions
- AVID
- Common Core State Standards
- Sheltered Instruction Observation Protocol (SIOP)
- Academic Sentence Frames Training
- Math Training
- Benchmark Training
- PBIS
- iReady Intervention Program
- Capturing Kids' Hearts

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Jefferson Elementary School supports ongoing professional growth throughout the year during the first Wednesday Professional Collaboration Time (PCT) of the month. Teachers meet in full day grade level team meetings to plan assessment and instruction once a trimester. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017-18 school year, Jefferson Elementary School's teachers had the opportunity to attend the following events hosted by the Corona-Norco Unified School District:

- 21st Century Learning Design: SAMR
- 3rd Grade Fractions Unit
- Active Shooter
- Benchmark Planning
- Application of Instructional Shifts in Lesson Design
- Assessment Building
- Autism CPI Training
- Advancement Via Individual Determination Training
- Blended Learning
- BreathTaking Mindfulness
- Canvas Training
- California Alternative Assessment Training
- Evidence Based Practices
- Capturing Kids' Hearts
- Positive Behavior Intervention and Support (PBIS)
- Close Reading
- ELA/Daily Five Planning
- Math Writing Planning

Jefferson Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Substitute teachers and Temporary Specialist are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.
