## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

Raney Intermediate's Mission is to lead all students to their academic and social excellence in order to be contributing members of the local, global, and digital community.

Vision Statement: Raney is a professional learning community that will be renowned for addressing the needs of ALL learners through personalized learning in addition to serving as a Demonstration School for AVID, IB, and STEM.

Letha Raney is one of ten intermediate schools in the Corona-Norco Unified School District. Raney is one of two intermediate schools that offers a sixth grade program. The school is located in the city of Corona, and is an integral part of the community. Established in 1966, Raney Intermediate was named after the late Letha Raney, a teacher and principal in the District for over forty years. Letha Raney was the first junior high school principal in Corona. Currently we serve 800 students and offer three programs education concentration, IB, STEM, and AVID. Our priority is focused on personalized learning and knowing learners and their individual academic and social emotional needs. Our classrooms are connected to the Internet to foster 21st Century learning, we are currently year three of the district's first Bring Your Own Device digital environment where every student either brings a device or is provided with a school issued device and our Wi-Fi infrastructure is designed to support all students and staff. Students, staff, and parents use Canvas as a learning management system. Teachers are trained in the process of Professional Learning Communities and teachers spearhead efforts of this professional development. Our school focuses on meeting the needs of the whole child both academic and social/emotional. We have adopted the 8 Keys of Excellence character education program that encourages the healthy development of all our students. We provide an environment for learning where student needs are addressed in regular classroom settings and in intervention classes. We are fortunate to have teachers who are specially trained in Math and Language Arts providing interventions for our students. Our English Learner program works with students in developing English focusing on academic vocabulary and reading. Our International Baccalaureate program serves 180 students from across the district. This program is designed to fuel student creativity and to teach them to recognize the relationships between school subjects and the outside world. We are in year three of our STEM program that provides our students with an honors and non-honors STEM pathway for core subject instruction. Our STEM program has a focus on robotics, computer programming, and 3D printing and currently supports 100 students. Our school AVID program supports 180 students. AVID Students receive support in developing study skills, organization skills, and note taking skills as well as instruction that promotes collaborative discourse and supports student achievement through structured tutorial support, note taking skills, organization, grade checks, and leadership skills.

Our School Accountability Report Card (SARC) is available on our school's website address at <http://www.RaneyKnights.org> and is a valuable source of information on student performance and conditions effecting the learning environment including:

- Pupil achievement, and progress toward meeting academic goals
- Progress in reducing dropout rates
- Expenditures per pupil and types of services funded
- Progress toward reducing class sizes and teaching loads
- The total number of credentialed teachers, the number relying upon emergency credentials, and the number of teachers working outside their subject areas of competence
- The quality and currency of textbooks and other instructional materials
- The availability of qualified personnel to provide counseling and other pupil support services
- The availability of qualified substitute teachers
- The safety, cleanliness, and adequacy of school facilities
- The adequacy of teacher evaluations and opportunities for professional improvement
- Classroom discipline and climate for learning, including suspension and expulsion rates
- Staff training and curriculum improvement
- The quality of instruction and school leadership
- The degree to which pupils are prepared to enter the work force
- The number of instructional minutes provided
- The number of minimum days scheduled

### Student Enrollment by Grade Level (School Year 2017-18)

Grade Level	Number of Students
Grade 6	39
Grade 7	359
Grade 8	398
<b>Total Enrollment</b>	<b>796</b>

### Student Enrollment by Group (School Year 2017-18)

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Misassignments of Teachers of English Learners	0	0	
<b>Total Teacher Misassignments *</b>	<b>0</b>	<b>0</b>	
<b>Vacant Teacher Positions</b>	<b>0</b>	<b>0</b>	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

**Year and month in which data were collected:** September 4, 2018

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 4, 2018, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## School Facility Conditions and Planned Improvements (Most Recent Year)

---

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Letha Raney Intermediate School's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

The following improvements have been completed:

- Painting of exterior buildings
- Addition of security fence
- Installation of security cameras

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and three evening custodians are assigned to Letha Raney Intermediate

School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Facilities Inspection

The district's maintenance department inspects Letha Raney Intermediate School on an annual basis in accordance with Education Code §17592.72(c)(1). Letha Raney Intermediate School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, November 03, 2017. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	49.0	46.0	59.0	61.0	48.0	50.0
Mathematics (grades 3-8 and 11)	35.0	34.0	45.0	46.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	794	782	98.49	46.29
Male	407	399	98.03	42.61
Female	387	383	98.97	50.13
Black or African American	36	35	97.22	48.57
American Indian or Alaska Native	--	--	--	--
Asian	81	80	98.77	90.00

English Learners	256	251	98.05	15.14
Students with Disabilities	114	113	99.12	7.08
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	795	789	99.25	34.22

English Learners	256	255	99.61	10.98
Students with Disabilities	115	114	99.13	1.75
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	19.1	22.4	26.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, the school marquee, the school website, Twitter, and Facebook. Contact Nelly Castaneda, Community Liaison, at (951) 736-3221 for more information on how to become involved in your child's learning environment.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	11.3	9.9	15.4	2.7	2.9	2.9	3.7	3.7	3.5
Expulsions	0.6	0.1	0.6	0.2	0.1	0.2	0.1	0.1	0.1

### School Safety Plan (School Year 2018-19)

The Comprehensive School Site Safety Plan was developed for Letha Raney Intermediate School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2017.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+

Social Science	28.0	4	11	8	29.0	5	10	11	29.0	4	11	11

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Academic Counselors and Other Support Staff (School Year 2017-18)**

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1	1.0
Counselor (Social/Behavioral or Career Development)	1	N/A
Library Media Teacher (Librarian)	1	N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist	1	N/A
Social Worker		N/A
Nurse	1	N/A
Speech/Language/Hearing Specialist	1	N/A
Resource Specialist (non-teaching)		N/A
Other		N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)**

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	0	1482.921	6701.648	91328.68
District	N/A	N/A	\$6,293	\$96,620
Percent Difference: School Site and District	N/A	N/A	27.4	-1.4
State	N/A	N/A	\$7,125	\$80,764
Percent Difference: School Site and State	N/A	N/A	23.1	17.4

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded (Fiscal Year 2017-18)

For the 2015-16 school year, Corona-Norco Unified School District spent an average of \$9,901 of total general funds to educate each student (based on 2015-16 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive

## Professional Development (Most Recent Three Years)

---

All professional development at Letha Raney Intermediate School is a result of school needs based on various data sources such as data. Data sources where we gather our data from include CA Dashboard, i-Ready, DARTT (District at Risk Tracking Tool), Healthy Kids, Panorama, and SHAPE behavior tracking. Our professional development is based on academic and social emotion needs to benefit our students.

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Letha Raney Intermediate School supports ongoing professional growth throughout the year during Professional Collaboration Time (PCT). Teachers meet as part of a Professional Learning Community to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in site, district, country, and private-sponsored staff development workshops or training session.

Letha Raney Intermediate School Staff is provided with multiple professional development opportunities:
