School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Riverview Elementary School is a small school located in Norco, California. We service students in grades TK-6th grade. We also have a special education preschool program on campus for preschool students with IEPs. Overall, we have approximately 500 students. We are proud to be a Leader in Me school, where we encourage and teach our students to be leaders and heroes. Our school is focused on student achievement, while also meeting the social-emotional needs of our students. We engage our students in a variety of activities and programs, including but not limited to participation in our Spelling Bee, Math Field Day, Band, Kindness Crew, Student Leadership Team, Science Fair, and so much more. We follow our school Motto, H.E.R.O., to create a safe environment where all students are treated respectfully. Riverview Elementary School has a community atmosphere and our students, parents and staff contribute to its success!

Mission

Riverview Elementary commits to academic excellence and progress within a rigorous program to develop students who will succeed in today's world through collaboration, critical thinking, and innovation.

Vision

We expect success because every student matters and every second counts.

Motto

We are Roadrunner HEROes running the road with success!

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Riverview Elementary School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Re-slurry front and back lots
- Repaint lines on playground
- Installation of projectors in all classrooms
- Replace sand and cover in sandbox
- Repaint campus exterior
- Addition of new school gate
- Install five security cameras

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Riverview Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspection

The district's maintenance department inspects Riverview Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Riverview Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	38	N/A	47	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are encouraged to become involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed on upcoming events and school activities through school newsletters, the school website, automated telephone messages, text messages, and through social media. Contact the school office at (951) 736-3245 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer:

- Chaperone
- Classroom Helper
- Fundraising Activities
- Reflections Program
- Promotions
- End of Year Activities
- Parent Teacher Association (PTA)

Committees:

- English Learner Advisory Council
- Parent Teacher Association
- School Site Council

School Activities:

- Back to School Night
- Family Nights
- Movie Night
- Open House
- Red Ribbon Week
- Canned Food and Clothing Drives
- After School Education and Safety (ASES)
- 100-Mile Club Events
- Accelerated Reader (AR) Event
- Jump Rope for Heart

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	5.6	5.5	2.9	3.2	3.5	3.5
Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.3	2.4	2.5
Expulsions	0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Riverview Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2020. It was approved on 10/29/2020.

Types of Services Funded (Fiscal Year 2019-2020)

For the 2019-20 school year, Corona-Norco Unified School District spent an average of \$6537.31 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	515	321	321

During each school year, Riverview Elementary provides professional development that will impact student achievement. During the past three years, professional development has been determined by analyzing the school's ability to close the achievement gap. The focus, during these years, has been on collecting student data on a regular basis, analyzing student data, implementing research based strategies/interventions targeting the areas of need, and closing the achievement gap in both language arts and math. Professional Development is delivered during the monthly PCT meetings, during the instructional day, through outside conference attendance, and during after school workshops. Trainings are provided at both the school site and at the district. Teachers are given four sub days each year, by the district, to attend the trainings that will most impact their students.

During the 2018-19 school year, Riverview Elementary School held (or will be holding) staff development training devoted to:

- Technology, including Google Docs
- Interventions and Data Collection
- DOK Questioning Strategies
- Targeted Reading Instruction
- SMART Goals
- Student Achievement Data
- i-Ready
- Continuum of Special Ed Services
- School Vision and Mission
- PBIS
- Closing the Achievement Gap
- SBAC Training
- Digital Citizenship
- Interim Assessments
- Collaborative Conversations
- Active Shooter Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Riverview Elementary School supports ongoing professional growth throughout the year during Professional Collaboration Time (PCT) on early release Wednesdays. In addition, teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

During the 2019 - 2020 and the 2020-2021 school year, there has been a shift in the way Professional Learning has been offered and the focus. This change was in response to the needs of the stakeholders across the district.

1. Total number of districtwide sessions – CNUSD switched from days to sessions. CNUSD had 321 professional learning titles with 839 sessions lasting from 1 hour to 6 hours depending on the training and the setting. This year in April, in response to the pandemic, the trainings all moved to online model. CNUSD logged 19,312 staff members attending sessions throughout the 19-20 school year. This includes both certificated and classified
2. Districtwide staff development topics – The focus for professional learning were: first best instruction, family & school partnerships, positive school environment, and systems leadership & collaboration.

Additional topics include –

- Technology tools: Zoom, Google (Chrome, Classroom, Docs, Forms, Slides, Hyperslides), Q student data system, Microsoft, Canvas, SchoolMessenger
 - Assessment tools and programs: Illuminate, i-Ready
 - Content area instruction in all areas ELA, Math (new adoption for HS math), Science, History, Health
 - Social emotion learning – building relationships, MTSS, PBIS, restorative practices, morning meetings, SEL capacities
