## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Ronald Reagan Elementary opened in July of 2015. We have always focused on doing what's best for kids to meet the individual learning needs of our students. We currently have an enrollment just over 1271 which includes students in TK-6th grade as well as SDC 1-6, and at least one virtual classroom in grades TK-6th to meet the needs of our families concerned with the COVID 19 pandemic.

During a more typical school year, aside from excelling in academics, we offer many extra-curricular activities for our students such as a Wrangler Choir, Wrangler School Band (beginning and intermediate levels), and a Reagan Dance Spirit Team!

Everything we do at Ronald Reagan revolves around P.R.I.D.E.- this stands for positivity, responsibility, Integrity, Determination, and Encouraging Others. From our PBIS Rewards, to our Tier II Intervention Team, all rules and all positive and negative consequences revolve around P.R.I.D.E., which helps to build a consistent and fair culture at Reagan.

Our Mission Statement was developed by our staff and it was also vetted by several parent groups such as our School Site Council, our PTA, and through various meetings with parent groups when Reagan first opened.

Ronald Reagan Mission Statement: Embracing the whole child by ensuring high levels of learning through P.R.I.D.E.

Ronald Reagan Vision Statement: Educating with P.R.I.D.E.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

<b>Total Teacher Misassignments*</b>	0	0	0
<b>Vacant Teacher Positions</b>		0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

**Year and month in which data were collected:** September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## School Facility Conditions and Planned Improvements

---

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ronald Reagan Elementary School's original facilities were built in 2015; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- 2017-18 Planned: Addition of two new portable classrooms

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Ronald Reagan Elementary School. The day custodian is responsible for:

- Classroom cleaning
- General grounds maintenance
- Restroom cleaning
- All facility concerns/issues that come up through out the day

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Trash Removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Facilities Inspection

The district's maintenance department inspects Ronald Reagan Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Ronald Reagan Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, September 01, 2017. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20

Mathematics (grades 3-8 and 11)	59	N/A	47	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

The 2020-2021 School Year looks very different from year past, due to the Global COVID-19 Pandemic.

In previous years prior, parents were encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. This year, participation looks different, and we have found many parents have been able to take a much more active role in their student's learning due to live interactions taking place with Google Meets or Zoom. Families are able to hear first hand lessons being taught to students, which gives them a unique opportunity to become more of a learning partner.

Parents stay informed on upcoming events and school activities through automated telephone messages, email, flyers, the school marquee, the school website, Facebook, Twitter, and Instagram. Contact the school office at (951) 736-7737 for more information on how to become involved in your child's learning environment.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.2	2.9	3.2	3.5	3.5
Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

## Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.4	2.4	2.5
Expulsions	0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Ronald Reagan Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Our Reagan Safety Team meets regularly to discuss safety-related concerns and prepare solutions to these problems. The school's most recent school safety plan was developed in conjunction with our Safety Team, and then it was reviewed, updated, and discussed with school staff in September 2020.

### Types of Services Funded (Fiscal Year 2019-2020)

For the 2019-20 school year, Corona-Norco Unified School District spent an average of \$6537.31 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other ARRA Programs

Number of school days dedicated to Staff Development and Continuous Improvement	515	321	321

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Ronald Reagan Elementary School supports ongoing professional growth throughout the year on during Professional Collaboration Time (PCT) on early release Wednesdays. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Ronald Reagan Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district

Alongside these new additions to our school and district is Innovate Ed. Our leadership team worked with a representative from Innovate Ed in developing a School Implementation Plan, or SIP, so that teachers would better understand, plan, and utilize the cycle of inquiry with students. As a team, we chose a school focus based on iReady data and began to develop grade level appropriate yet consistent school wide strategies so that all students could better access Reading through text annotation. Teachers were given release days throughout the year as this process became more clear through productive struggle.

The 18-19 school year continues to bring challenges and opportunities for teachers as they continue to learn the Benchmark Advance curriculum. We have continued to devote staff meetings, PCTs, and grade-level release days so that teachers have time to collaborate and refine past practices.

New this year is the opportunity for teachers in grades 1-5 to learn a new math curriculum, Investigations which better aligns with the 6-8 math curriculum, CMP3. This curriculum is very conceptual-based and has required teachers to rethink how they teach math to their students.

We also continued working with Innovate Ed, but branched out from just our Leadership Team to grades 2nd and 6th. These teams continued the work that our Leadership team began last school year. As they cycle of inquiry became more clear for teachers, we began to see this in the improvement in student work and performance.

During the 2019 - 2020 and the 2020-2021 school year, there has been a shift in the way Professional Learning has been offered and the focus. This change was in response to the needs of the stakeholders across the district.

1. Total number of districtwide sessions – CNUSD switched from days to sessions. CNUSD had 321 professional learning titles with 839 sessions lasting from 1 hour to 6 hours depending on the training and the setting. This year in April, in response to the pandemic, the trainings all moved to online model. CNUSD logged 19,312 staff members attending sessions throughout the 19-20 school year. This includes both certificated and classified
2. Districtwide staff development topics – The focus for professional learning were: first best instruction, family & school partnerships, positive school environment, and systems leadership & collaboration.
