School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Mission statement

At Sierra Vista we dream, believe, dare, and achieve. We will leave footprints worth following.

The staff at Sierra Vista Elementary School, in cooperation with the community, is dedicated to the challenge of meeting the academic, physical, and social/emotional needs of our students. We believe all children can learn. Our mission is to prepare our students to dream of new possibilities, believe they can succeed, dare to try new things and achieve all that they can. We believe this approach to their education will assist them in moving into the world as productive, innovative and prepared individuals.

Staff and Administration at Sierra Vista Elementary have a vision that all of our students will perform at exemplary levels of achievement. Regardless of economic, racial, ethnic, or language background, students will perform according to the high expectations that are placed before them through a rigorous curriculum based on the Common Core State Standards and effective teaching practices. Lessons that are engaging, purposeful, and data driven, will be the experience for all of our students. Intervention programs are provided to those students in need of additional assistance and those who need to be challenged will receive specific enrichment.

We are a Leader in Me school. As a staff, we teach and have our students practice the "7 Habits of Highly Effective People," to support them in all endeavors as children and adults. With the Leader in Me, the classrooms reflect practices and lessons that build on students self-esteem, leadership qualities, and individual skills that support them in reflecting on their lives and goals. The instructional day includes a structured 2 hour literacy block that includes direct teaching, guided reading groups, shared reading, varied strategies for pre-writing (graphic organizers, listing, brainstorming etc.), and Step Up to Writing. Teachers utilize a system of reading assessment practices so that achievement expectations at each grade level are clearly understood. Teachers use the iReady diagnostic in both ELA and Math, standards based weekly and unit assessments in the Benchmark Advance curriculum, data analysis, focused professional development and collaboration to provide each student with academic support based on their individual needs. The library continues to contain numerous volumes for students to select from a variety of genres. This year teachers have also been provided with professional development on Guided Reading, using the Scholastic Book Room, where they have access to over 240 leveled books that can be utilized during guided reading and small group instruction. iReady provides students with online leveled instruction in both English Language Arts and Math. This year, the school-site is implementing three goals that focus on student achievement, closing the achievement gap, and social emotional needs. The school-wide goals are as follows: 1. Well-planned implementation of the Benchmark Advance curriculum with fidelity using the Universal Backwards Design and Student Analysis Protocol; 2. Implementation of Integrated and Designated ELD; 3. Well-planned implementation of daily interventions in ELA and Math using iReady and Benchmark data.

In order to keep up with the pace of ever-changing technology and digital literacy demands, Sierra Vista houses one computer lab, one "Virtual Desktop Infrastructure" (VDI) lab, 6 Lenovo laptop carts and provides a Chromebook to each student on campus in grades TK-6. The school site also has a wireless network that all teachers and students have access to. This school year, six additional Chromebook carts were purchased and each grade level in order to have enough devices for each student to have access to their own device during daily instruction. Each classroom houses three VDI computers and one teacher work station. Students at Sierra Vista use the labs and other technology devices to access typing programs, on-line lessons and assessments, and programs that provide leveled instruction and engagement. As the technology demands expand and change, we will continue to modify and change our goals in order to stay innovative!

This year, all staff are using technology to support students in their daily instruction in a remote learning environment. Teachers use Google Classroom, Google Meets, and Zoom to provide live lessons in order to engage and assess student achievement. Many classes are using virtual running records to continue to assess students in reading, create learning goals with families, and group students for "live" reading groups throughout the instructional day. This intervention supports teachers in maintaining a "pulse" of each students reading level in order to intervene or accelerate the students learning.

At Sierra Vista, English Language Learners receive English Language Development daily for at least 30 minutes from CLAD certified teachers. The Benchmark Advance curriculum has ELD and ELA framework embedded in it. Our English Learner students are monitored on a regular basis, through ELPAC, CAASPP, and grade-level data, for possible reclassification.

Parent involvement increases yearly. Our volunteer hours, PTA involvement, and attendance at school functions and events are critical to our success.

As a school community we ourselves strive to "Leave Footprints Worth Following" for every child, every day.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

 *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Sierra Vista Elementary School's original facilities were built in 1950; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Painting the exterior of the school
- Updating computer lab to VDI computers
- Painting of multiple murals on exterior and interior throughout campus
- Install three VDI computers to all classrooms including special day class, in grades 1-6

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Sierra Vista Elementary School. The day custodian is responsible for:

- Classroom cleaning
- General grounds maintenance
- Restroom cleaning
- Lunch supervision and cleanup

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are encouraged to get involved in their student's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through automated telephone messages, the school marquee, school newsletters, Facebook, Instagram, and the school website. Contact the school office at (951) 736-3311 for more information on how to become involved in your student's learning environment.

Opportunities to Volunteer

- Classroom Helper
- PTA Activities
- Book Fair Volunteer
- Grade Level Activities Coordinator
- Leader in Me Events

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.7	1.6	2.9	3.2	3.5	3.5
Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.5	2.4	2.5
Expulsions	0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Sierra Vista Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in September 2020.

Sierra Vista Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

During the 2019 - 2020 and the 2020-2021 school year, there has been a shift in the way Professional Learning has been offered and the focus. This change was in response to the needs of the stakeholders across the district.

1. Total number of districtwide sessions – CNUSD switched from days to sessions. CNUSD had 321 professional learning titles with 839 sessions lasting from 1 hour to 6 hours depending on the training and the setting. This year in April, in response to the pandemic, the trainings all moved to online model. CNUSD logged 19,312 staff members attending sessions throughout the 19-20 school year. This includes both certificated and classified

2. Districtwide staff development topics – The focus for professional learning were: first best instruction, family & school partnerships, positive school environment, and systems leadership & collaboration.

Additional topics include –

- Technology tools: Zoom, Google (Chrome, Classroom, Docs, Forms, Slides, Hyperslides), Q student data system, Microsoft, Canvas, SchoolMessenger
 - Assessment tools and programs: Illuminate, i-Ready
 - Content area instruction in all areas ELA, Math (new adoption for HS math), Science, History, Health
 - Social emotion learning – building relationships, MTSS, PBIS, restorative practices, morning meetings, SEL capacities
 - English learners – EL contact training, iLit (ELD training), Ellevation program, EL in Action, Bilingual paraprofessionals
 - Special Education – Boy’s Town, CPI training, virtual IEPs, ELA accommodations in the classroom, ABA fundamentals
 - Collaboration sessions – DLI, ELs, grade levels, content areas, SPED, Professional learning communities
 - Classified – Registration, technology tips, custodial equipment, personal wellness, customer service, student attendance, accounts payable
3. Supplementary instruction provided - coaching, instructional support, modeled lessons, collaborative sessions, modeled units of study, instructional support website with resources and aids
