School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Nestled in the majestic hills of the Cleveland National Forest, Wilson Elementary is located in Southern Corona. The Eagle Glen Community is proud that Wilson Elementary holds the unique distinction of being the first developer-constructed school in the state of California. The Eagle Glen community is surrounded by a variety of businesses and housing developments. This unique setting has drawn a multitude of cultures to our ever growing community. There are more than twenty different languages and cultures represented in the Wilson community. Our major subgroups include: White, Hispanic, English Language Learners, and Socio-Economically Disadvantaged students. Other ethnic/racial groups include: Asian, American Indian, African American, Filipino, Pacific Islander and Arabic.

Our mission at Woodrow Wilson Elementary is to provide the highest quality instruction and services to every student. We expect academic excellence and progress, social growth and accountability in all students. Our vision at Wilson Elementary School is to create an atmosphere in which all students will learn in a positive, nurturing environment. We believe that having and modeling high expectations for students will help students achieve their highest potential. We are committed to providing our students with a standards-based curriculum. Wilson's teaching staff knows and understands grade level expectations to ensure that all students progress toward the goal of meeting or exceeding state standards. At the core of our curriculum are the state standards supported by adopted curricular texts which delineate the core ideas that students should learn at each grade level. Through collaborative efforts among all segments of the school community, we search for instructional strategies that reflect current research and best practices. We know that social-emotional supports are critical and integrate positive behavioral supports into our day to prepare our students to participate in our 21st century global economy. With the determination to succeed driving us forward toward specific, standards-based measurable expectations, the entire staff at Wilson stays focused on our vision of improved student achievement. We believe in the importance of building positive relationships. We are a Capturing Kids Hearts School where we believe "if you have a child's heart you have a child's mind."

Along with our general education students, Wilson Elementary also provides services for a variety of students with special needs. We have two special day classes which provides services to first through sixth grade students with special needs. Students with a variety of disabilities including Autism, cognitive delays, speech, and other designated instructional services are serviced by both special and general education teachers. Additionally, two full-time special education teachers and two instructional aides serving students in our Resource Specialist program. Our underlying premise in providing special education services is to provide students with equal access to the core curriculum in the least restrictive environment as possible. Several of our students with special needs are fully included in general education classes.

All of our students have access to environmentally rich learning environments including at least three computers in each classroom and two laptop carts shared among 3rd-6th grade students. Our students also have access to three 35 station VDI computer laboratories with Internet access. Students are also provided with opportunities to experience Microsoft Publisher, PowerPoint, Excel and basic word processing skills. Our library includes more than 11,800 selections. Students experience a wide array of leveled books through our on-line Accelerated Reader program. These selections are designed to encourage independent reading by addressing each student’s Lexile reading level.

At Wilson Elementary, we offer a variety of support services to address the “whole child.” Support services are provided by the school psychologist and school counselor. Under the direction of the classroom teachers, the bilingual assistant delivers academic support utilizing preview/review strategies, translations and Immersion strategies.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Woodrow Wilson Elementary School's original facilities were built in 2000; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Addition of computer lab
- New carpet in classrooms
- Add new swing gate at front of school

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Woodrow Wilson Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Office area cleaning
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through the Wilson Elementary app, automated telephone messages, email, The Eagle Express newsletter, the school website, parent information nights, and Facebook. Contact Amy Johnson, Principal, at (951) 739-5820 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

- Chaperone
- Classroom Helper
- Fundraising Activities
- Library Assistant
- Book Fair
- Disaster Drill Preparedness
- Food Drive
- Tutoring Program

- School Site Events

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.9	1.7	2.9	3.2	3.5	3.5
Expulsions	0.0	0.0	0.2	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.8	2.4	2.5
Expulsions	0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Woodrow Wilson Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff on September 24, 2020.

Types of Services Funded (Fiscal Year 2019-2020)

For the 2019-20 school year, Corona-Norco Unified School District spent an average of \$6537.31 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials

Woodrow Wilson Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

All training and curriculum development activities at Woodrow Wilson Elementary School revolve around the California State Standards.

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Woodrow Wilson Elementary School supports ongoing professional growth throughout the year during Professional Collaboration Time (PCT). Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

For the 2018-2019 school year, Wilson teachers and staff will also have the opportunity to participate in a variety of training opportunities.
