Dear Caregivers and Guardians,

Your student is eligible to participate in our school district’s All-Stars Foster Youth Program. This program is offered for all grade levels TK-12 at the individual school sites to those students currently in foster care or under legal guardianship. The purpose of the All-Stars program is to empower youth with the resources needed to self-advocate, make healthy choices, and prepare for their future.

School Counselors will meet monthly with your student. These monthly gatherings will not provide counseling services, but they will consist of activities, support, encouragement, resources, and connection. Your student does not have to participate, although it is our hope that we can support all students who are eligible. *If you do not want your student to participate in the All-Stars program, you must notify your school, by completing the form below and returning it to the site counselor within five days.*

If you have any questions about the All-Stars program, you are welcome to contact me.

Jenna Mendez, TK-12 Corona-Norco Unified School District Foster Youth Counselor
