COMPREHENSIVE PLANS

MAJOR DISASTER PLAN

In the event of a major disaster affecting the entire community, such as an earthquake or fire, it is possible that no aid or relief will be available for up to 72 hours. Therefore, all plans shall consider the requirement to subsist independently for up to 72 hours.

In the event of a major disaster affecting the entire community, students shall be held at the school. Unless notified otherwise, schools will release students only to responsible adults or family members and only upon their written signature. Additionally, EACH INDIVIDUAL SIGNING FOR A STUDENT WILL INDICATE HIS/HER DESTINATION. FULL ACCOUNTING FOR EACH STUDENT WILL BE REQUIRED.

In the event of a major disaster, all teachers and staff members shall remain at the school to care for the students. California Government Code, Chapter 8, Division 4, Title I, Sections 3100 and 3101 declares that all public employees are "CIVIL DEFENSE WORKERS SUBJECT TO SUCH CIVILIAN DEFENSE ACTIVITIES AS MAY BE ASSIGNED TO THEM BY THEIR SUPERVISORS OR BY LAW."

Principals shall communicate these policies to parents and staff members to insure their understanding and cooperation.

Nothing in this plan is designed to limit or constrain the actions of individual principals in taking whatever actions they deem necessary to safeguard the students, the staff, and the facilities.
