CITIZEN ADVISORY COMMITTEES

The Superintendent, or designee, may establish advisory committees which shall report to him/her in accordance with law, Board policy, and administrative regulation.

Citizen advisory committees shall serve in an advisory capacity; they may make recommendations, but their actions shall not be binding on the Board or Superintendent.

The membership of citizen advisory committees should reflect the diversity of the community and represent a diversity of viewpoints.

The Superintendent, or designee, shall provide training and information, as necessary, to enable committee members to understand the goals of the committee and to fulfill their role as committee members.

Within budget allocations, the Superintendent, or designee, may approve requests for committee travel and may reimburse committee members for expenses at the same rates, and under the same conditions, as those provided for District employees.
