TRANSPORTATION PROCEDURES FOR THE PREGNANT MINOR PROGRAM

In an effort to encourage pregnant minors to continue their secondary education, CNUSD will provide support for students assigned to this program. Students identified for this program will be provided transportation according to the following guidelines:

1. If there is a program at the home school of attendance, the student will be assigned to that school and transportation may be provided.
2. If the home school of attendance does not provide the pregnant minor program, then the student will be assigned to the school closest to the area where they live that has room in the pregnant minor program. Transportation to this program may be provided.
3. If the student chooses to attend a school, other than the one assigned, then transportation to and from school will not be provided.
4. Students attending credit recovery or other alternative programs within the district will be assigned to the pregnant minor program using the following guidelines:
 - a. Geographic location (home residence) of the student
 - b. Space availability of the program
 - c. Availability of Transportation
5. The goal of this program is to provide every possible means available for these students to successfully complete their secondary education on time.
6. The Student Services Department will be responsible for the assignment, monitoring and fiscal responsibility of this program.
